ADVENTURE IS CALLING

Peace and solitude or wild and fast action—where will your next adventure take you? With over 30 years of water sports experience, Aquaglide prides itself on being an innovator and pioneer of quality inflatable water play products. We understand the importance of leisure time, and we strive to build our products so that all you have to worry about is having fun. For us, the fun begins with new innovations in product design. Our incentive for creating better solutions for fun on the water is the feedback we receive from valued customers, like you, who use and appreciate our products every day.

Each product is submitted to rigorous lab and field testing to ensure that they meet and exceed US and European standards for product safety. We can proudly say that our products are compliant with CPSIA and DIN EN 15649 product safety standards, the highest possible standards in the business.

At the end of the day, for us at Aquaglide, its about the adventures we help our customers have on the water. We hope that you'll be inspired to join us on the water for your next adventure.

Aquaglide

SPITFIRE SERIES

Florida, U.S.A.

The Spitfire™ Series is not for the faint of heart, or anyone looking for a mellow ride.

The Spitfire 60 Package comes complete with everything you need to lay down some serious tracks including a 12v pump, deluxe 2-person rope, and the sporty 60"x 60" four-handle Spitfire 60 itself. The only way to beat the outstanding performance and value of the Spitfire is with a Spitfire 70 or the larger Spitfire 80. Like fine-tuned suspension, we've added gusseted sidewalls and 840d nylon construction to the larger Spitfire's model for maximum performance in these 2-3 person tubes.

Box dims	L 17.25" x W 10.75" x H 22.25", 45lbs. (L 44cm x W 27cm x H 56.5cm, 20.5kg)

METRO SERIES

Jenkinson Lake | California, U.S.A.

A rocket ship for the water.

Metro™ is the most stable banana-style towable available in the market today. Built with commercial grade Duratex™ and heavily reinforced at all handles and tow-points, the Metro is designed to provide many years of trouble-free service. It is available in 6, 5, and 3-person versions, with the two larger sizes offering double-wide stabilizer tubes for unsurpassed stability and performance.

METRO 6

Specs	L 14' x W 4' x H 2.3' (L 4,3m x W 1,2m x H 0,7m)
Capacity	6 people – 1200 lbs. (544 kg)

Specs	L 10' x W 3' x H 2' (L 3m x W 1m x H 0,6m)
Capacity	3 people – 600 lbs. (272 kg)
Item	58-5214016
Box dims	L 30" x W 22" x H 8", 37 lbs. 1pc. (L 76cm x W 56cm x H 20cm, 16 kg)

Portofino Island Resort | Florida, U.S.A.

SUNDECK

Ocean Beach Club | Cozumel, Mexico

Makes the perfect island for swimming, playing or lounging.

In a resort setting floating platforms can easily double beach revenues when added to an existing chair/ umbrella program. By incorporating platforms into an Aquapark design to increase parental participation, parents are given a place to rest and families can also congregate during Aquapark use. The durable construction allows it to be anchored all season long if necessary. Includes 8 D-rings on the top for attaching accessories such as the softpack, or a way to attach other watercraft such as waverunners or SUP boards.

The Sundeck™ Softpack is a must have accessory for anyone serious about lounging. The Softpack connects to the Sundeck through our D-ring Interloc system using a simple strap.

SUNDECK

Specs	L 7.5'x W 7.5' x H 0.3' (L 2,3m x W 2,3m x H 0,1m)
Capacity	4
Item	58-5215140
Box dims	L 24" x W 15.75" x H 10", 41 lbs. 1pc. (L 60cm x W 40cm x H 25cm, 18 kg)

SUNDECK SOFTPACK (OPTION)

Specs	L 30" x W 90" x H 1.2' (L 76cm x W 229cm x H 36cm)
Item	58-5315100
Box dims	L 24" x W 12" x H 8", 8 lbs. 1pc. (L 60cm x W 30cm x H 20cm, 4 kg)

SPLASHMAT SERIES

Portofino Island Resort | Florida, U.S.A.

A flexible and slippery water-float or attachment

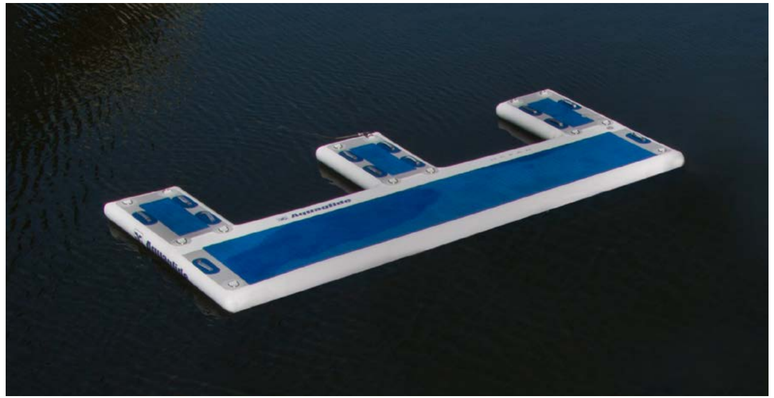
Available in both our Heavy Duty and Standard constructions, the Splashmat™ is the ultimate water-float. The HD version is designed for higher traffic Aquaparks as well as Aquaparks that are installed in extreme climates and/or closer to the Equator. HD versions are produced with several design and material modifications and feature our class leading Double Layer construction. On both versions, the Splashmat inspires continuous, creative free-play. Walk, run, slip, slide, leap-frog or cartwheel down the stable platform. Both versions have exceptional long-term durability and offer many advantages including ultra-low-profile boarding for extra convenience. It can be used as a stand-alone item, or can be connected to any Aquapark using the 5 D-Ring Interloc system on 2 sides combined with our secure Vario-Lock cinch strap system.

SPLASHMAT HD

Specs	L 18' x W 5' x H 0.25' L 5,5m x W 1,5m x H 0,1m
Capacity	6
Item	HD version 58-5217629, Standard 58-5211108
Box dims	L 64" x W 10.2" x H 9.4", 49 lbs. 1pc. (L 162cm x W 26cm x H 24cm, 26,4 kg)

LANDING PAD

Novotel Twin Waters Resort | Queensland, Australia



The Landing Pad, makes for a great lounger, splashmat or running add-on for your aquapark.

Made from our extremely durable Hard-Bottom material, this Landing Pad™ is built to last. It can also attach to our Docking Station and Ocean Pool™ products to help create the ultimate floating island. Built to hold up to 10 people.

LANDING PAD

Specs	L 13' x W 13' x H 0.4' (L 4m x W 4m x H 0,1m)

Item	58-5215002
Box dims	L 41" x W 24" x H 10", 62 lbs. (L 105cm x W 60cm x H 25cm, 28 kg)

The Docking Station™ lets you park not 1 but 2 Waverunner Jetskis!

Constructed for outlasting performance and durability this product can also be used as a stand-alone item or connected to the Ocean Pool or Landing Pad models.

DOCKING STATION

Brief	Floating docking station.
Specs	L 14.8' x W 9.8' x H 0.4' (L 4,5m x W 3m x H 0,1m)
Capacity	3
Item	58-5215003
Box dims	L 45" x W 24" x H 15", 128 lbs. (L 115cm x W 60cm x H 39cm, 58 kg)

AIRPORT CLASSIC | AIRPORT SOFTPACK

Ocean Beach Club | Cozumel, Mexico

The Airport Classic balances performance, style and value in a remarkably versatile swim platform so that you and your guests can play on the water with style.

Ideal as a lounge, swim raft or launch pad for any watersports, the Airport™ can also be towed with up to three people. Designed primarily for residential use, the classic styling fits comfortably in any waterfront environment. The Airport Classic features reinforced handles for boarding, towing and transport.

The Softpac is the perfect addition to the Airport Classic. After a several hours of swimming and playing the Softpac provides a luxurious backrest.The convenient webbing straps and ladder-lock buckles help attach the Softpac to the platform in a matter of seconds. The Softpack™ is designed for use while at anchor.

AIRPORT CLASSIC

Brief	4 person towable lounge or aquapark base.

SUNDECK SOFTPACK (OPTION)

Specs	L 30" x W 90" x H 1.2' (L 76cm x W 229cm x H 36cm)
Item	58-5315100
Box dims	L 24" x W 12" x H 8", 8 lbs. 1pc. (L 60cm x W 30cm x H 20cm, 4 kg)

MALIBU SERIES

Florida, U.S.A.

The Malibu Lounge was born to party!

With generous seating, comfy backrest, cool soaker-mesh floor and copious cup holders, this lounge means business. Generously sized for up to 10 users, the Malibu™ Lounge sports an integrated boarding platform with molded handles for easy access from the water. Awesome on its own, or connect to Malibu Aquapark so the kids can party too!

MALIBU LOUNGE

Brief	Extra-large party lounge platform with backrest.
Specs	L 12' x W 11.5' x H 2.5' (L 3,7m x W 3,5m x H 0,8m)
Capacity	10 people – 1500 lbs. (680 kg)
Item	58-5214000
Box dims	L 23" x W 14" x H 28", 72 lbs. 1pc. (L 58cm x W 35cm x H 71cm, 33 kg)

The Malibu Island is a true oasis!

Offering tons of space for seating or snoozing, this versatile Island comes complete with cool soaker-mesh floor and plenty of cup holders for you and all of your guests. Generously sized for up to 10 users, the Malibu Island provides an integrated access platform with molded handles for easy boarding. Excellent on its own, or connect to Malibu Aquapark and let the kids party too!

MALIBU ISLAND

Brief	Extra-large party lounge platform.
Specs	L 12' x W 11.5' x H 1.2' (L 3,7m x W 3,5m x H 0,4m)
Capacity	10 people – 1500 lbs. (680 kg)
Item	58-5214002
Box dims	L 16.5" x W 9.25" x H 28", 30 lbs. 1pc. (L 42cm x W 24cm x H 71cm, 14 kg)

As any kid will tell you, the Malibu Aquapark has 'fun' written all over it!

Starting with a 12' diameter bouncer and exhilarating water slide, this Aquapark features a 10' walkway for easy boarding, lounging and extra play area. With so many activities and space for up to 8 users, the Malibu Aquapark keeps the whole family engaged for hours. Unreal on its own, the only way to top it is to connect a Malibu Island or Lounge and give the adults some space of their own!

MALIBU AQUAPARK

Brief	PVC bouncer, slide and walkway set.
Specs	L 15' x W 21' x H 3.75' (L 4,5m W x 3,5m x H 1,1m)
Capacity	8 people – 1200 lbs. (544 kg)
Item	58-5214018
Box dims	L 22" x W 16" x H 26", 107 lbs. 1pc. (L 56cm x W 40cm x H 65cm, 49 kg)

INVERSIBLE

Portofino Island Resort | Florida, U.S.A.

A giant lounge and play station that can be used as a soaker or a platform

In soaker mode, the interior mesh floor provides an open splash zone for active play or for cool, quiet lounging. When inverted, the mesh floor provides an airy platform for rest or active play. It can be used as a stand-alone item, or can be connected to any Aquapark using the 5 D-Ring Interloc system on 4 sides combined with our secure Vario-Lock cinch strap system.

INVERSIBLE

Specs	L 13' x W 12' x H 1.8' (L 4m x W 3,7m x H 0,6m)
Capacity	8
Item	58-5212000
Box dims	L 29.5" x W 21.7" x H 10.6", 66 lbs. 1pc. (L 75cm x W 55cm x H 27cm, 30 kg)

FIESTA

Columbia River Gorge | Washington, U.S.A.

A versatile soaker lounge for all

For the purist, it's a serene, relaxing getaway and, for parents, the Fiesta™ offers a contained perimeter for younger kids to safely splash and play. Older kids are likely to turn the Fiesta into a more active playstation. It can be used as a stand-alone item, or can be connected to any Aquapark using the 5 D-Ring Interloc system on 2 sides combined with our secure Vario-Lock cinch strap system. Includes 4 drink holders on the inside and a mesh floor.

FIESTA

Item	58-5216640
Box dims	L 17" x W 9.8" x H 28", 35 lbs. 1pc. (L 43cm x W 25cm x H 72cm, 16 kg)

SUPERTRAMP SERIES

Just Wake | Tattershall Lincolnshire, United Kingdom

Designed for superior bouncing performance and years of trouble-free service

All SuperTramp™ models feature our Octane frame and include a Swimstep access platform and anchor bridle. You can add virtually any accessory on 3 sides, and an i-Log option on one side via our secure and easy to use Vario-Lock cinch strap system.

Our Octane™ Frame is built tough to withstand the demands of commercial use, SuperTramps are assembled using hot-air welded 28 oz. fabric-reinforced PVC tubes, double-dip galvanized steel frames, and heavy duty springs. Our exclusive Octane frame design and construction allows our trampolines to withstand the test of time and make them perfect for commercial use.

ESCALADE 2M | 3M

Bli Bli Aquapark | Queensland, Australia

Add new functionality and additional thrills to any SuperTramp

Climbing routes, both from the water and from the trampoline, are supported with reinforced handles and oversized footsteps. Connect a Blast II launch bag at the base for jaw-dropping thrills boosted by Escalade™ elevation. This inspiring product makes the perfect complement to Aquaglide SuperTramp. The Escalade series is available in a challenging 6ft wall Escalade 2M and a towering 8ft wall Escalade 3m. Both options connect to our SuperTramps via the easy to use Vario-Lock cinch strap system.

REBOUND SERIES

Columbia River Gorge | Washington, U.S.A.

An incredible alternative to a trampoline

Made of RF welded Duratex™ and #316 stainless steel welded ring plates, the Rebound's 8-sided design offers excellent bounce but is easier to set up and maintain than trampolines with metal frames and springs. This product comes complete with a Swimstep access platform and heavy duty molded boarding and transport handles. The Rebound™ bouncer also has an Aquapark option which includes our i-Log and a Rebound Slide.

BLAST BAG

Novotel Twin Waters Resort | Queensland, Australia

Our most popular accessory

Use the powerful force of air to blast friends, relatives and guests skyward. The wedge adds stability for boarding and focuses the blasting force for huge thrills and splashes. The Blast Bag™ attaches to all SuperTramps, Rebounds, and Jungle Series play stations via our Vario-Lock cinch strap system.

Our custom designed wedge adds stability

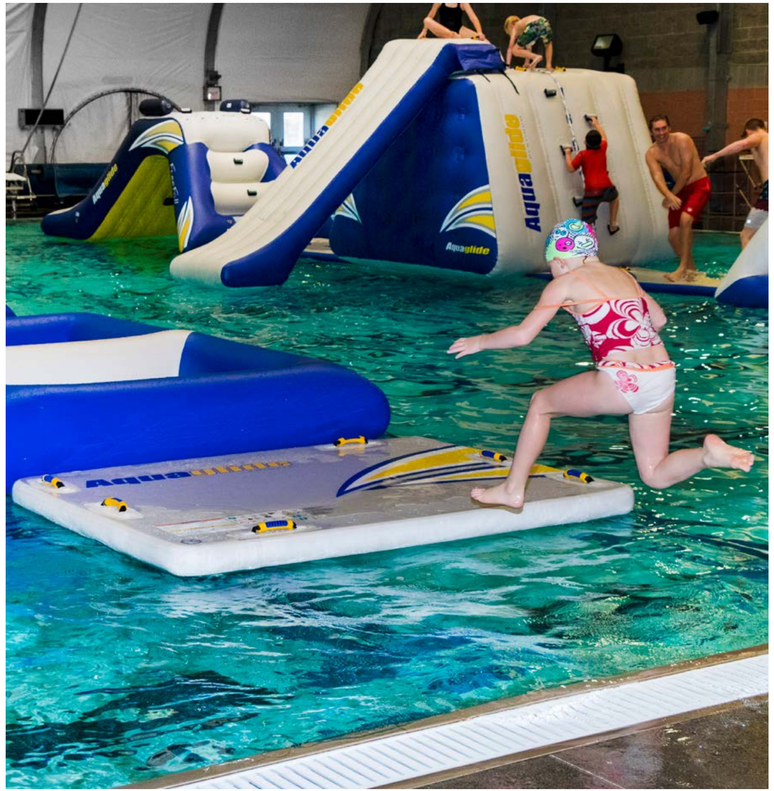
SWIMSTEP XL

Ocean Beach Club | Cozumel, Mexico



An improvement over traditional boarding ladders which have never been user friendly

Available in both our Heavy Duty and Standard constructions, the Swimstep XL™ is the ultimate platform. The HD version is designed for higher traffic Aquaparks as well as Aquaparks that are installed in extreme climates and/or closer to the Equator. HD versions are produced with several design and material modifications and feature our class leading Double Layer construction. On both versions, the Swimstep XL provides easy access from the water due to its low-profile design. This ergonomic platform is simply the best way to get on an Aquapark and an essential piece to add fun to any configuration. It can be connected to any Aquapark using the 5 D-Ring Interloc system on 2 sides combined with our secure Vario-Lock cinch strap system.

SWIMSTEP XL HD

RUNWAY SERIES

Beldert Beach | Zoelen, Netherlands

The best way to link any Aquapark together

Available in both our Heavy Duty and Standard constructions, the Runway™ is the piece that links it all. The HD version is designed for higher traffic Aquaparks as well as Aquaparks that are installed in extreme climates and/or closer to the Equator. HD versions are produced with several design and material modifications and feature our class leading Double Layer construction. On both versions, the slippery surface seems to invite guests to invent new ways to play. Walk, run, slip, slide, leap-frog or cartwheel down the stable Runway. Both versions have exceptional long-term durability and offer many advantages including ultra-low-profile boarding for extra convenience. It can be used as a stand-alone item, or can be connected to any Aquapark using the 5 D-Ring Interloc system on 2 sides combined with our secure Vario-Lock cinch strap system.

Item	58-5215118
Box dims	L 30" x W 22" x H 16", 72 lbs. 1 pc. (L 75cm x W 56cm x H 41cm, 33 kg)

SUPERSPORT

Columbia River Gorge | Washington, U.S.A.

Over nearly 20 years, the Aquaglide Supersport and its predecessors have provided a totally unique sailing experience

The Supersport is a performance inflatable sailboat for 1-2 people. Ideal for learning to sail or simply enjoying a warm summer day. It converts easily to a stable windsurfer, ideal for learning this exciting sport. The Supersport offers compact storage, excellent stability and simple setup, plus Hard bottom (HB) inflatable hull for outstanding performance and durability. The Supersport provides all the advantages Aquaglide customers have come to know and love, but with several distinct improvements resulting from our use of HB material. Technologically advanced Hardbottom (HB) material can take very high internal pressures of up to 20 psi (1,4 bar). High pressure creates a very stiff hull with minimal drag and excellent transfer of energy. In a sailboat these attributes translate to speed! This small sailboat is capable of reaching planning speeds, which means thrilling sailing for all ability levels. In addition, the Supersport hull is reinforced with heavy duty Duratex™ material, making it incredibly tough and durable. Finally, the HB hull is a single piece with dual air chambers for safety, so there are no covers to fit or bladders to align.

The Supersport is available as a complete boat with sailing rig, or as a Hull Only. Supersport Hull Only is designed as an upgrade for existing Multisport 270 customers who already have the sailing rig. Both versions include all required hull parts such as rudder, tiller, two high performance foiled keels in US box mounts and a convenient roller travel bag that allows the entire craft to fit in the trunk of a car.

The Supersport is constructed with high quality, high density dropstitch material that is rated for pressures up to 20 psi. Dropstitch is made using thousands of 1000 denier polyester threads that are bonded to a special skin. High pressure inflation makes the hull extremely rigid yet lightweight. It is then reinforced with layers of PVC for extra stiffness and dura-bility, and fitted with a diamond groove EVA deckpad.

SUNSEEKER SPLASHPAD

The Sun Seeker Splash Pad is a versatile, multi-use, and fully reversible inflatable lounge that deploys and inflates quickly.

Constructed from durable commercial-grade PVC material, the splash pad holds up to four adults and is stable and firm enough for walking. Features quick-zip connection zipper that allows you to connect multiple Sun Seeker lounges together to create a huge island for multiple people to enjoy simultaneously. Use the Sun Seeker as a walkway between boats, a launching pad for multiple watersports, or a comfortable pad for relaxing on the water with family and friends. Lightweight splash pad is compact and easily transported. Easy-inflation valve. Anchor points keep pad securely in place while it's in use. Reversible design reveals blue or white color option.

AQUA TRAINING MAT

Biscarrosse AquaPark | Étang de Cazaux et de Sanguinet, France

The best way to train is on water

The Aqua Trainer Mat provides a fun and dynamic way to exercise on the water. Its unique design allows for physical aquatic therapy, boot camp type workouts, aquatic YOGA and Pilates. The ability to be used in both pools and open water makes it a best-in-class floating training platform that will elevate anyone's training to the next level. The light weight and stable design allows for maximum stability while being very easy to carry and set up due to its small footprint. Utilizing commercial grade materials and drop stitch construction will provide years of use. Specially placed marine grade #316 Stainless Steel D- Rings allow it to be tethered to existing pool lane dividers or anchored down in any body of water using traditional anchors, moorings or sand bags.

AQUA TRAINING MAT

Specs	L 8.1' x W 2.9' x H 0.5' (L 2,5m x W 0,9m x H 0,2m)
